

## EXPERIENCE

---

### **Kinetic Vision** // Cincinnati, OH // Fall 2022

*Industrial Design Co-op // August 2022 – December 2022*

- Developed client projects among the consumer product, medical, and fitness industries in an engineering-focused environment through research, ideation, 2D animation, and visualization.
- Participated in multiple brainstorming/innovation sessions and presentations with clients.
- Forecasted for future client consumer markets and developed personas.
- Created a co-op guide to aid in the onboarding of future co-ops.

### **The Live Well Collaborative** // Cincinnati, OH // Spring 2022

*Design Strategy & Research Co-op // January – May 2022*

- Managed project and co-op team & coordinated multidisciplinary team of 21, made up of engineers & designers.
- Produced 5 patent pending concepts as a team leader.
- Researched & developed user-centered, system, strategy, transportation, and product design solutions for clients (Boeing & Council on Aging).
- Planned and led brainstorming and user interviews & facilitated design thinking workshop.

### **Priority Designs** // Columbus, OH // Summer 2021

*Industrial Design Co-op // May – August 2021*

- Collaborated with multidisciplinary teams to ideate and prototype concepts for a wide range of clients within consumer tech, medical devices, soft goods, UX/UI, and packaging in a fast-paced environment.

### **Fossil Group** // Dallas, TX // Spring 2020

*Watch & Jewelry Design Co-op // January – April 2020*

- Sketched and rendered new watch and jewelry concepts for seasonal lines & conducted trend research.
- Completed technical documents & communicated with factories.

## LEADERSHIP

---

### **DAAPworks Industrial Design** // Critic Recruitment Lead // 2023

### **DAAP ID Mentors & Muses** // Upperclassman Mentor // 2022 – 2023

### **IDSA, University of Cincinnati Student Chapter** // President // 2019 – 2023

### **Engineers Without Borders UC** // Public Relations Chair // 2020 – 2023

## EDUCATION

---

### **University of Cincinnati, DAAP**

Bachelor of Science, Industrial Design  
Dean's List, Cincinnati Century Scholar  
Class of 2023, Summa Cum Laude

### **Offsite by Advanced Design**

Cohort 1 (2020), Real World Design Skills

### **Saint Francis Desales High School**

Columbus, OH  
Class of 2018, GPA 4.1

## CAREER DEVELOPMENT

---

IDSA Member // January 2020 – Present

IDSA Women in Design // October 2020

International Design Conference //  
September 2020 & 2021

## PUBLIC SPEAKING

---

### **Context Podcast by Advanced Design**

064 – Community & Education // Dec 2020

### **Lens Webinar by Advanced Design**

Offsite Students // Dec 2020

### **Commencement Speaker**

Offsite // Dec 2020

## SKILLS

---

### **Analog**

User research (interviews, co-creation),  
trend research & foresight, ideation, concept  
sketching & rendering, rapid prototyping, 3D  
printing, laser cutting, sewing, CNC milling

### **Digital**

Adobe Creative Suite (Illustrator, InDesign,  
Photoshop), Autodesk Fusion360,  
Solidworks, Keyshot, Microsoft Office (Word,  
Excel, PowerPoint), Procreate, Blender,  
Arduino, Gravity Sketch Certified
